

Don Colacino for WIFMCO Board

I'm seeking a position on the WIFMCO board because as a member who benefits from WIFMCO activities and events, I want to be a part of their ongoing success. I believe in the advancement of women in all aspects of film and media production, and WIFMCO helps its members build the networks, knowledge, and experience needed to thrive in the industry. If elected to the WIFMCO board, I'll use the organizational skills I developed in global corporations, and the filmmaking skills I developed at Colorado Film School, to support the continued success of the organization.
